

NEVER WRITE ANOTHER CHECK TO LTS

(but keep on giving!)

Your gift to Lexington Theological Seminary directly supports seminary students through financial aid. The dollars you donate to the Ministerial Education Fund ensure that students will have adequate support to make their education affordable.

One of the easiest ways to make your contributions is through the LTS Direct Giving Service.

Simply designate the amount you wish to contribute monthly, where to draft the pledge (checking account or credit card), and when you would like to make the gift. You may start the direct giving service at any time and change or cancel it whenever you wish. At the end of each calendar year, you will receive a gift receipt from the Seminary for your charitable deduction records.

A monthly contribution can make a substantial gift over the course of a year. Sign up one time, and never have to write another check. It is good stewardship for everyone's resources.
